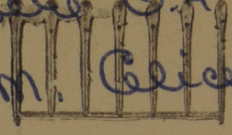
Dearest folks, a note to let you know we're O.K. I leave Tues. a.m. Celia is staying until then to see me off. After that she doesn't know what she'll do.



Am sending Muffin by air line tomorrow. Will cost under $50.00, but will be worth it to me (+ her). Tomorrow is a busy day, ending about noon when the car is processed for overseas (won't go out the door for a week or so!) Hope O.K. there. Love, Ann + Muffin
